Gallions Reach Traffic Facility

Construction of ExCeL London's expansion project is currently underway. The project will deliver an additional 25,000sqm of premium event space, seamlessly integrated into the existing venue once complete. To achieve a successful transformation, we are amending the way we operate the site during the build-up and breakdown of events.

From time to time, we will be required to stand-up our temporary Traffic Facility located at Gallions Reach. At this temporary facility you will be guided by the ExCeL Traffic Team to a parking zone. From here, you'll attend the Traffic Management Office where you will be provided with your Lorryway Access Documentation (LAD) to access the venue. Once you have collected your access documentation, please return to your vehicle, and await instructions from the ExCeL Traffic Team, who will be in communication with the venue to provide a time slot for you to proceed to the Lorryway.

Please pass this information onto your exhibitors. If you have any questions, please get in touch with your event manager.

Where is the temporary Traffic Facility?

Located 2.1 miles from the venue, our Gallions Reach Traffic Facility is easily accessible by road via the A13 and A406. From the A13 or A406 Beckton Roundabout, exit onto the A1020 Royal Docks Road, and proceed until the traffic light junction with Armada Way. At this junction, turn left onto Armada Way, and follow the road to remain on Armada Way until the third roundabout. Our booking facility is located at the first exit from this roundabout.

Arriving at ExCeL London

When you have arrived at the venue, please follow the direction of the ExCeL Traffic Team into the correct lane, determined by your LAD.

Once there is space on the Lorryway for your vehicle, you will be instructed to turn left from your lane and onto access ramps.

To access the correct Lorryway, please follow the appropriate directions on this sign, based on your LAD.

A member of the ExCeL Traffic Team will check your LAD and record your access time. Please then display your vehicle access document in your windshield.

Please contact your Event Manager with any specific queries.
